# Sponsor a Table

Sponsoring a casino table is a great way to promote your business. In addition to the sponsorship, your business cards or giveaways are greatly encouraged. For example, a blackjack table sponsored by a dentist could present a free toothbrush (with the business name imprinted) for each blackjack that is dealt. As an added bonus, your business name will be printed on a poster size sign at the entrance of the event. This a great place to promote your business and give back to your community.
