Just a reminder, students are not permitted to return to the building or classrooms to retrieve forgotten items. This includes students who are attending After School or Clubs. There are several reasons for this :

-Classrooms are locked when not in use.

-Classrooms are used for religion classes and instruction cannot be interrupted.

Parents and other visitors are required to gain entrance through the main entrance during school office hours 7:30 a.m. - 3:30 p.m. The front door is equipped with a camera. Please be sure to look directly into the lens so that staff can clearly see who is at the door. Parents and other visitors must report to the main office upon entering the building. Please do not attempt to enter the building through any other door.

Because teachers will soon be closing out 1st quarter grades, parent access to SIS will be blocked on Thursday. You may want to take a last look at your child's performance before Thursday. 8th grade is already blocked as reports are being prepared for high **schools**.
